Dear John:

Thank you for the material you recently sent us concerning the above named individuals. This enables us to start a file which will aid in removal of future registration attempts.

We do not find any previous information in our files and, therefore, would like to have any thing you could give us that would substantiate the charges which you indicate. Newspaper clippings, news records, or other material would be most helpful.

If this is to be taken to court, we would like to have the outcome of the legal action and if it is completed. Since we will have no comment on other material from individuals to assist those children.

Please let us know if we may be of further help to you.

Sincerely,

Paul Oliver, Scout Executive
